Reflection

Most parents have discovered by now that things aren't always as they seem. A poured out bottle of laundry detergent wasn't really mischievous behaviour, but rather an attempt to surprise you with a generous gift of service. Or secret whispers are not an attempt to hide some wrongdoing but rather an effort to plan a surprise for you. Things weren't as they seemed to Mary Magdalene either that first Easter morning. Our errors in perception often work to remind us that God's plan is not always obvious, but that we are challenged to trust in the promise of the resurrection.

Easter Season

The seven weeks from Easter to Pentecost (May 11) are celebrated as one great feast day. St. Athanasius called them "the great Sunday." Christians sing the "Alleluia" during these days in their rejoicing.

EASTER *The Meaning....* The communal character of the Eucharist emerges in a special way when it is seen as the Easter banquet in which Christ himself becomes our nourishment. In fact, "For this purpose Christ entrusted to the Church this sacrifice: so that the faithful might share in it, both spiritually, in faith and charity, and sacramentally, in the banquet of holy communion. Sharing in the Lord's Supper is always communion with Christ, who offers himself for us in sacrifice to the Father." *Dies Domini, #44*

Take a few moments and reread this article, let it become part of your being. What a wonderful gift we were given! Sem. Jerry, myself and staff, wish you and your families a Blessed Easter Season! Yours in the resurrected Lord, Fr. Vic
