## REFLECTION

There are people who do not yet know the Good News. Jesus assured his disciples and us that we will bring the light of the Kingdom into their darkness by sharing Jesus with them. Even if some people, even our families, ridicule us for our proclamation, God will care for us until the end.

**Reflection for Families** As an old saying goes, "If you don't stand for something, you'll fall for anything." This is not only the message we need to convey to our children, but through our own actions, they will see that we believe this to be true. Sometimes we have to take an unpopular stand with our children when we know that they are being tempted by their peers and culture. You will find among parents of older children, that your children will one day express their gratitude for your courage.

## VOCATION VIEW

Have you discovered yet that there is more to life than what only material things have to offer? We live in the Spirit. Only in the Lord can we find lasting peace. Speak the Good News.

**FYI** Seminarian Jerry Tavares will be finished his year of Internship and leaving here on July 31, 2008. He will be returning to St. Augustine Seminary in September.

## EUCHARIST CONGRESS

**How is a Eucharistic Congress financed?** The main sources of revenue are: the registration fees of Congress pilgrims; donations from communities and religious

movements and institutions; contributions from the three levels of government; a public fundraising campaign; and donations via the internet. A corporation manages the budget in a strict and efficient way. The Canadian Bishops accepted to hold a collection in 2007 and 2008, throughout Parishes across the country. Moreover, the Supreme Council of the Knights of Columbus has donated one million dollars. **Next weekend, June 28/29, 2008 there will be a collection to help with the Eucharist Congress Event.** *NOTE: Sem. Jerry has spent the last week at this Congress and we look forward to hearing first hand about this event.*
