Rosary in the School Program

We are looking for volunteers to our Rosary in the School program. The elementary school children are introduced to Mother Mary and the prayers of the Rosary and how to pray the Rosary in the simplicity of their grade level. The goal is to have our children not only praying the Rosary on a regular basis but to fall in love with this format of prayer and bring it home to the family and possibly make it a lifelong devotion. The commitment needed is for one school year, once a month, to go to the school as a team of volunteers for about 2 hours at a time. All materials along with training is provided. Please call Deborah Scott at 905-242-4279 for further details.
