"Sunset Walk with Mary" Thank you to all who were able to celebrate the Sunset Walk with Mary on June 16 at the Cobourg Ecology Garden. The weather cooperated and we were blessed with approximately 31 members and friends sharing in the beauty of the surroundings and honouring our Blessed Mother. We were especially pleased to have Father Chuka join us. *Thank you to all CWL members who make the St. Michael's Council a wonderful place to meet and share in our love of the Catholic faith through hearts in prayer (faith), hands that share (service), and minds that dare (social justice).*

St. Vincent de Paul Society – What We Do. Our Mission – The Society's Mission is to "Live the gospel message by serving Christ in the poor with love, respect, justice and joy". Our Values – Our core values are to: see Christ in anyone who suffers; have personal contact with those in need; and help in all possible ways. Our Action - Volunteers respond daily to calls from those in need to a cell phone Hotline (905) 373-9391. The situation of the individual or family is assessed. Where aid is appropriate, arrangements are made to meet the applicant at their home, a shelter or other public location. While we focus on provision of food for those facing immediate food shortages, aid may also take the form of clothing vouchers, provision of minor household items, bus tickets or, in rare cases, gas money to get to medical appointments. We also assist in identifying and accessing other organizations able to provide longer term support. Society work is largely funded by a monthly collection following the Masses of the first Sunday of each month. Please consider a donation.
